SafeRoad acquires Interstal

Interstal Sp. z o.o., located in Bielsko-Biala south in Poland, supplies and installs bridge parapets and road barriers in Poland. Established in 2002, the company has PLN 8 million in sales and 21 employees. This is one of two acquisitions SafeRoad is doing in Poland this week.

Through its subsidiary, Saferoad Polska Sp. z o.o., SafeRoad is acquiring 90% of Interstal Sp. z o.o and will continue to develop the company together with its employees and management.

“We are pleased to have Interstal in the SafeRoad Group,” says Senior Vice President Central Eastern Europe Terje Myhre. “Interstal supplies high-quality products and services in the growing Polish market for traffic safety solutions.”

SafeRoad Group aims to be the leading supplier of traffic safety solutions in Europe. This acquisition is part of SafeRoad’s strategy for growth, as well as widening the product range in Central Eastern Europe. The acquisition provides synergies with the existing SafeRoad subsidiaries in Poland, and strengthens the Group’s position as a total supplier.
