

Press Release

SafeRoad acquires Bongard & Lind

Saferoad AS acquires 94,9 percent of the shares of the German company Bongard & Lind GmbH & Co KG.

SafeRoad is a leading European supplier of traffic safety solutions. The main business areas of Bongard & Lind are road restraint systems (RRS), noise barriers and road marking tape.

Bongard & Lind is well established in the German market, situated in Nentershausen close to Frankfurt. The company has a new and modern production facility for RRS components and noise barriers in Weroth, 5 km from Nentershausen.

“Bongard & Lind has a solid market position, and we welcome the opportunity to develop SafeRoad’s business in Germany”, states Jon Erik Engeset, President and CEO of SafeRoad.

“We expect positive effects from being part of the SafeRoad Group, both within procurement and markets”, state CEO Manfred Bongard and CEO Peter Lind.

Bongard & Lind is a result of a merger between Bongard GmbH & Co KG and Lind Verkehrstechnik GmbH in 2008. Bongard has been present in the road restraint market since 1976. The company has 230 employees.
